MILGARD®

Framing home in a new light

The path to perfect windows and doors has never been more clear. From tranquil mornings to lively family dinners, MILGARD seamlessly connects you to what matters most: windows and doors that frame life's most meaningful moments.

As a trusted brand for more than half a century, MILGARD offers products that promise long-lasting comfort, protection, and exceptional quality day after day, year after year.

EXPERIENCE IS EVERYTHING

Our experts match you with attractive, reliable windows and patio doors that best fit your home, your needs, and your price point.

CONFIDENCE TO CREATE

We deliver the highest-quality windows and patio doors through our passion for craftsmanship and a relentless pursuit of 100%.

EVERY DETAIL, EVERY DAY

From robust testing and precision manufacturing processes to the innovations we develop for your comfort, every detail matters.

VX450 Stacking Doors

Bring indoor and outdoor living together with the VX450 Moving Glass Walls system. Expansive glass panels and narrow sightlines create wide-open views and fill the home with natural light, while durable vinyl construction, smooth operation, and energy-efficient performance deliver comfort and dependability for everyday living.

VX450 Pocket Doors

Create a dramatic connection between indoor and outdoor living with the VX450 Moving Glass Walls system. Designed so the glass panels slide neatly into a pocket within the wall, the VX450 can open the space almost completely to the outdoors. Expansive glass, narrow sightlines, smooth operation, and durable vinyl construction come together in a contemporary solution designed for open, inviting living.

OUR GOAL IS 100% TROUBLE-FREE

With a goal of 100% trouble-free, our teams work tirelessly to help ensure your project stays on track.

From regular inspections and quality audits throughout the manufacturing process, we strive to ensure that the final product you receive meets our high standards.

In addition, most MILGARD windows and patio doors carry the American Architectural Manufacturers Association (AAMA) Gold Label to show they have met their strict requirements, which are tested and certified by a third party. This rigorous testing includes water penetration, air leakage, structural integrity, and forced entry resistance.
